

Hello Camp Gray Rock families,

I am very excited about my third year as the Summer Camp Director for Camp Gray Rock!

My history with Camp Gray Rock goes back to the late 1980's, when it was Camp Rainbow for Girls; I was a camper for 4 years and a counselor for 2 years. Now my own children are campers, and it still feels like home. My husband Jerry and I have two daughters - Pamela is 13 and Mary is 11. During the school year, I am a middle school Special Settings Instructional Assistant in the Fort Mill (South Carolina) School District.

I have always loved working with children and seeing the world through their eyes. It's important to encourage a sense of wonder through outdoor experiences and activities. My years at camp helped shape who I am, and it remains a special place in my heart. My goal is to grow attendance, and give more children the opportunity to develop lifelong friendships and make the kind of memories that I have from my years at camp. I truly enjoy sharing our everyday activities and camp shenanigans with you all through our Facebook page; it gives you all the opportunity to experience camp life along with us!

The 2020 camp season brought many challenges associated with the Covid-19 Pandemic. I believe they made us better; we developed detailed safety and sanitation procedures and worked hard to keep Covid out of our camp while still giving the kids a much-needed and memorable camp experience.

Kids need camp this year more than ever before. Our dedicated and outstanding staff look forward to providing another fun year of camp with swimming, fishing, shooting, hiking, crafts, outdoor play and MUCH MORE.

See you soon!
