

Do you have what it takes to be a Counselor at Camp Gray Rock?

Each summer, we look for male and female counselors for our male and female camp weeks. We usually have 3 weeks of Girls camp, followed by 2 weeks of Boys camp. We prefer our counselors to be recent High School graduates or college students who have energy to lead our camp activities with a positive attitude.

Our counselors sleep in a cabin with up to 11 campers. They are responsible for the camp activities and safety of our campers from arrival on Sunday afternoons until they leave on Saturday mornings. Activities they lead include archery, air rifles, fishing, swimming, slip & slide, outdoor games, indoor games, arts & crafts, dance lessons, skits, flag ceremonies, daily cabin chores, hiking and anything else they come up with!

Before camp, you'll be trained in archery & air rifles, and you'll take a safety training program on Child Sexual Abuse. You'll have a supportive Summer Camp Director to help you learn the ropes.

We work hard and we play hard. We maintain our sense of humor, and the food is delicious. You can't beat a couple of weeks in the NC mountains during the hottest month of the year!

If you have what it takes, contact Cindy at CampGrayRock@gmail.com - or text her at 704-562-0774 to learn more.
